

Dickies Women's Inseam Measurements:

- Regular Inseam is approximately 30½"
- Petite Inseam is approximately 28"
- Tall Inseam is approximately 33½"

Use this chart to determine your size. If one of your measurements is between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit.

Bust

Measures the fullest part of your chest.

Waist

Bend to one side to the natural crease of your waist and measure across this point.

Hip

Standing with feet together, measure around the fullest part of your hips and rear.

Inseam

Measure from the bottom of the crotch seam to the bottom of the hem along the inside seam.

Dickies Women's Size Chart:

	SML	MED	LGE
Numeric	6 - 8	10 - 12	14 - 16
Bust	35 - 36	37 - 39	40 - 43
Hip	37 - 38	39 - 41	42 - 45

Missy Fit Chart:

THE TOP FEELS LIKE: Enjoy a longer sleeve length than junior or athletic fit tops, but a silhouette that still flatters. The hemline should fall at the hip or below for added coverage when bending or reaching.

THE PANT FEELS LIKE: Get a higher rise from the missy fit pant, usually just below the natural waist. This easy fit gives you more coverage at the top and a leg line that sits a couple inches away from the body.

SIZE TIP

Missy fit is meant to be true to size. If you're on the petite side, try ordering a size smaller than you normally would if you prefer more fitted scrubs.
